

Request for Financial Aid Eligibility for a 5th Year

Important!!! This form will not be processed unless the Registrar's Office has your application for degree on file. Please check with Lynda Rouse x5247 if you are not sure you have turned in your application for degree.

Please read and complete the information below. Return completed form to the Registrar's Office.

Wheaton College Policy: Financial aid is available to complete a degree*, which can usually be completed in 8 semesters. Beyond 8 semesters (including semesters completed at schools other than Wheaton College, but not including summer semesters), financial aid eligibility for additional semesters (with a maximum of 2 additional semesters) will only be considered for those courses and hours that are required to complete the degree. It is inappropriate however, to postpone taking courses required for the degree in order to extend the degree time beyond 8 semesters in order to receive financial aid.

*Only one major is required to complete a degree. Courses required to complete a second major or minor will not be considered when determining eligibility for aid beyond 8 semesters.

Student #: _____

Name _____ Date _____ CPO _____

Major _____ Adviser _____

Semester(s) for which you are requesting aid: Fall _____ Spring _____ Summer _____
(Year) (Year) (Year)

Please indicate the reason you require aid beyond 8 semesters:

Student Signature _____ Date _____
