CHRISTMAS IN JULY AT WETN, FM 88

Radio stations seem to air Christmas music earlier and earlier each year, but none will get the jump on WETN's Christmas in July. What better way to beat the summer heat than with Christmas music and gifts? Throughout the day on Wednesday, July 25th, Wheaton College's radio station, WETN, will veer from its unique blend of Contemporary Christian music, and infuse the air with holiday cheer, with a solid 24 hours of Christmas music. This music can be heard in the far western (Chicago) suburbs at 88.1 FM or around the world at www.wetn.org.

WETN is also giving away a variety of gifts and prizes all day long. The WETN Morning Show, *Joy in the Morning*, and host Joy Curry will add to the Christmas in July merriment from 6 to 10 am CDT. The show will feature guests, giveaways (including gift cards to Cracker Barrel Old Country Stores, and passes to Six Flags Great America and the Shedd Aquarium), and more.

WETN is known for its vast library of Christmas songs, ranging from traditional favorites to eclectic, sacred to popular, and classic to current. This year WETN is expanding its already impressive collection to more than 2,000 Christmas songs. Listeners can enjoy this Christmas music on July 25th, as well as during WETN's annual Soundtrack for Christmas, which features around-the-clock Christmas songs from the day after Thanksgiving through New Year's Day.

Christmas in July can be heard around the clock on 88.1 FM, online at www.wetn.org, and on WETN-TV from 6 AM to 10 AM (Comcast cable: channel 72 in Wheaton, channel 17 in Warrenville and Winfield, channel 10 in West Chicago). Wheaton College (Wheaton, Ill.) is a coeducational Christian liberal arts college noted for its rigorous academics, integration of faith and learning, and consistent ranking among the top liberal arts colleges in the country.
