

## Transfer Guide

### Joliet Junior College to Wheaton College

This document is intended to help students who wish to begin at Joliet Junior College, and later transfer to Wheaton College, plan for courses that will meet Wheaton requirements.

#### Core Competencies:

**Foreign Language** - Completion through the Intermediate Level. Courses must be taken in person--not online.

**Oral Skills** - SPCH 101. Must be taken in person--not online.

**Writing** - ENG 101 and 102. Both are required to fully meet Writing competency.

#### Thematic Core

Choose up to 4 of the following categories, which we call themes. A **maximum of 4 themes** can be met with transfer credit. Courses on the list beyond 4 themes would come in as elective credit.

**AAQR (Math)** - MATH 170 & 171 if Calculus is needed for your intended major, otherwise MATH 142, MATH 153 or MATH 128 or 150 for Statistics.

**Scientific Practice (Lab Sciences)** - BIO 149, GEOL 101, PHYS 101, PHYS 201.

If majoring in Biology, Chemistry or Applied Health Science, take BIO 151 & 152 and CHEM 101 & 102. We do not recommend taking Anatomy & Physiology courses. Engineering & Physics majors should begin with PHYS 201. Must be taken with a 3 hour per week, in person lab.

**Literary Explorations** - ENG 105, 107 or 204

**Visual & Performing Arts** - ART 109 and MUS 101 (need both to complete the theme)

**Historical Perspectives** - HIST 107 or 108

**Philosophical Investigations** - PHIL 101

**Social Inquiry** - ANTH 101 or 275, ECON 104, PSCI 101, PSYC 101 or SOC 101

#### Major Courses

Round out your schedule with entry level courses in a major you are interested in pursuing. Wheaton College requires a certain number of courses in the major be taken at Wheaton, so it is best not to take a large number of major courses.

\* We do not transfer associate degrees; transfer credits are course by course.

Please consult the *Wheaton College Catalog* online for information on *Christ at the Core* General Education Program and Major requirements at [www.wheaton.edu/catalog](http://www.wheaton.edu/catalog).

For specific questions, please e-mail the Academic Advising Office at [academic.advising@wheaton.edu](mailto:academic.advising@wheaton.edu).
