Notes or Special Guidance for Majors:

*Course has prerequisite

^F Fall only course

^S Spring only course

[#] Offered every other year

¹ French course that meet CATC tags: FREN 347 (LE), FREN 348 (LE)

² Both FREN 347 and FREN 348 are strongly recommended for students planning to pursue graduate study in French. Only one is required, but 8 total hours of French literature are required.

³ Students planning to teach on the secondary level are required to take FREN 371 Methods of Teaching Foreign Languages

⁴ Both Wheaton in Quebec and semester programs in France (FREN 335 Francophone Civilization and Culture, FREN 338 Advanced French in Francophone Country, plus other coursework to equal 12-15 semester hours) fulfill the study abroad requirement for the major: most students choose either the semester in France or the summer program in Quebec, but some decide to do both programs.

⁵ French 347 Francophone Literature is offered odd years in Fall only and has been approved as HNGR elective
