Notes or Special Guidance for Majors:

*Course has prerequisite

^F Fall only course

^S Spring only course

[#] Offered every other year

¹ French course that meet CATC tags: FREN 347 (LE), FREN 348 (LE). Secondary Education courses that meet the CATC Thematic Core tags: EDUC 225 (SI) and EDUC 497 (with EDUC 135 taken at Wheaton) meets the PI theme. A maximum of 3 themes can count in both the major requirements and the general education requirements - for each major.

² While EDUC 135, 136 and 136L must be taken together, EDUC 101 can be taken separately. All of these courses are offered in the fall and the spring and should be completed in the first year. These EDUC classes can be swapped between Fall 1 and Spring 1 based on student registration needs.

³ Students planning to teach on the secondary level are required to take FREN 371 Methods of Teaching Foreign Languages.

⁴ Students are strongly encouraged to study overseas, either with the Wheaton in France program or a semester program in France (FREN 335 Francophone Civilization and Culture, FREN 338 Advanced French in Francophone Country, plus other coursework to equal 12-15 semester hours) through a GPS-approved semester program. Most students choose either the semester in France or a summer program in France, but some decide to do both programs.

⁵ French 347 Francophone Literature is offered even years in Fall only and has been approved as HNGR elective. Though only one is required, both FREN 347 and FREN 348 are strongly recommended for students planning to pursue graduate study in French. ⁶ EDUC 305 may be taken any semester after EDUC 225. It must be completed prior to student teaching.

⁷ EDUC 324L and EDUC 305L are taken concurrently the semester prior to student teaching.
