

Our Promise to Parents

WHEATON COLLEGE

For Christ & His Kingdom

DEAR PARENTS,

Wheaton is a Christ-centered college with a mission for the world. Our promise to you is a world-class education that empowers, emboldens, and equips your son or daughter to live confidently for Christ. A Wheaton education is preparation not just for a livelihood but for life in all its fullness. Our commitment is to a rare combination of faith, spiritual formation, and intellect that leads to flourishing in a world that can't wait.

OUR COMMUNITY COVENANT

Our goal is to live, work, serve, and worship together as an educational community centered around the Lord Jesus Christ. In signing our Community Covenant, we rise to the honor, privilege, and blessings of membership in such a community. We joyfully join together as students, faculty, and staff dedicated to living Christianly.

"I was so impressed by the enthusiasm of the Wheaton students to shape the world, and to make it a better place. And they are approaching this goal in practical ways. Some colleges are full of dour cynics. Wheaton is the opposite—brimming with optimists!"

WHEATON COLLEGE

For Christ & His Kingdom

“While there are many excellent colleges and universities, few in our opinion offer the unique combination of high academic standards, a globally diversified student body, and a strong commitment to a well-rounded liberal arts education, all while seeking to serve Christ and his kingdom.”
