

Club Sports Manual

2023-2024

UPDATED: August 8, 2023

By Amanda Fazzari
Club Sports Director

Captains,

Please make sure you read the entirety of this manual, noting all policies and procedures for the 2023-2024 school year. To those of you who are new captains - *you are expected to follow this manual – regardless of how prior captains managed your club*. Contents of the manual are not suggestions, they are **mandates**. I will help you with compliance, but you will ultimately be responsible for adherence to this manual and the policies therein. For a reminder on your job description as Captain, please refer to page 5.

A few highlights: Liability Waivers and Medical Information forms are now available on the Club Sports page of the SRC Website – <https://www.wheaton.edu/life-at-wheaton/athletics/club-sports/>. All clubs are expected to come to me for administrative functions (vehicle reservation, budgets, etc) and have either a Staff/faculty Advisor or Coach to fulfill Supervisor functions (traveling with the club, attending practices, etc).

I'm looking forward to a great year of working with you and your teams. Compliance to this manual is the key to your club's existence and continuance. Please let me know how I can be of service to you.

Sincerely,

Amanda Fazzari
Wheaton College
Club Sports Director & Head Softball Coach

I. DEFINITION OF A CLUB SPORT

A Club Sport is a recognized group of students voluntarily organized for the purpose of furthering their common interests in a particular sport activity through participation and/or competition at an intercollegiate level. Recognized Club Sports have use of Wheaton College facilities (including SRC and fields), vehicles, and credit. In turn, Club Sports are expected to comply with the Club Sports Manual. Club Sports are a division of the Athletics Department as opposed to general student interest clubs which are managed by the Student Activities Office.

II. PURPOSE OF CLUB SPORTS

The purpose of Wheaton College Club Sports is to provide student initiated and managed sport opportunities at an intercollegiate level of competition to Wheaton College students.

The Wheaton College Club Sport purpose supports (and is supported by) the vision of the Athletics Department, Student Development and the overall mission of Wheaton College. Wheaton College Administration believes that Club Sports can provide the opportunity for students to develop Christian virtue and sportsmanship through the teamwork and discipline of athletic competition. They offer extra-curricular learning experiences for participants through involvement in fund raising, public relations, organization, administration, budgeting, scheduling, and skill development. Student involvement in group and team situations helps enhance their overall learning experience while living in the college setting.

The contents of this Club Sport Manual are designed to ensure that each club operates safely, effectively and efficiently. Therefore, the following policies, procedures and guidelines articulate expectations of adequate supervision, safe transportation and balanced budgeting among other issues.

III. CLUB SPORT INITIATION

Prior to full Club Sport status and space reservation rights, Proposed Clubs must complete the following:

- **New Clubs** must submit a proposal for Club Sport Initiation with a Constitution, Leadership Listing, preliminary Roster, Budget and Schedule.
- All contact-sport Clubs must have a **Coach** (responsible adult who supervises club activity). This person must have verbal commitment to Club Captain and Club Sports before the club has space reservation capabilities. All non-contact sport clubs must have a **Faculty/Staff Advisor**.
- Proposed clubs are encouraged to have at least **eight** full-time Wheaton College **students** who have expressed interest in forming the club and are committed to participating in club activities. Should there be lacking eight members, it is up to the discretion of the Club Sports Director to terminate the Club.

IV. CLUB SPORT PERSONNEL AND RESPONSIBILITIES

1. **Captain & Cabinet.** All officers are selected via means outlined in the team Constitution. In conjunction with the FLSA guidelines, Club Sports coaches may be paid a stipend not to exceed \$1000. Should you seek to pay your coach more, it will need to be approved by the CSID and Athletic Director. *Paperwork to pay coaches will not be submitted until the CSID has approved the annual club budget.* If he/she is a college employee, any injuries will not be covered by Workers Compensation. *Coaches and Advisors must sign the Coach/Advisor Information and Agreement Form (Form D and E in the Club Sport Manual).*

V. CLUB SPORT RECOGNITION

To be officially recognized as a Wheaton College Club Sport the following requirements must be fulfilled:

1. Each club must draft a **Club Sport Constitution** approved by the CSID (Form L). Current copy should be on file in Club Sports Office – but all Captains should review and update during Fall, A Quad.
 - A constitution is the framework of the club and expresses the fundamentals of the club's existence. It should include club name, purpose statement, an indication of the number of officers, method for their selection, requirements for club membership, fiscal agent and general operating procedures.
 - "Membership and participation within a club sport must be free from discrimination based on race, color, sex, national or ethnic origin or non-disqualifying handicap." Each club constitution must carry a statement to this effect.
 - The Constitution should be reviewed on an annual basis. Revised Constitutions should be given to the CSID to be kept on file. The president and/or captain of each club is responsible for notifying the CSID, in writing, when there are any changes to the club's constitution.

2. Each club must keep a current **Leadership Listing** (form B) on file with the CSID. Leadership Listing should be submitted by the team's third official practice. The following positions constitute a minimum leadership requirement:
 - Each club must choose a **Captain** according to the club's constitution.
 - Each club must choose an **Advisor** to serve as a responsible adult supervisor for the club. The Advisor must be approved by the CSID.
 - Contact sports are required to have a **Coach**. This person must be a responsible adult who is knowledgeable in the particular sport and may supervise club activities. The coach may also serve as the club Advisor. The coach is appointed by the club and approved by the CSID.
 - See Section '**III. – CLUB SPORT PERSONNEL AND RESPONSIBILITIES**' for more information.

3. **Membership** to a Club Sport is open to students of Wheaton College.
 - All clubs must submit an accurate and complete **Team Roster** (Form A) of all participating club members no later than the third day of official practice. It is the responsibility of the Club President/Captain to ensure that the **Team Roster** on file in the Club Sports office is updated with any additions/deletions.
 - Each member registers by:
 - Signing the team Roster Form.
 - Submitting a signed **Club Sports Waiver and Release of Liability** form. (Form I)
 - Submitting completed **Medical Information and Release Form**. (Form H)
 - Participants in *all club sports* must have an Athletic Physical EVERY YEAR. (Form G)
 - *Club Members without the proper paperwork on file in the Club Sports Office may not participate in competition.*
 - If driving, submitting a completed **Personal Automobile Insurance and Driver Acknowledgement Statement** (Form F). The Club Captain is responsible to ensure that each member is registered before the season begins.

4. Each club is required to submit a **Club Sport Budget** and adhere to the policies specified in section '**VII. BUDGETARY GUIDELINES**'. Budget template spreadsheet on file with the CSID.

5. . Each club must annually report to the Director of Club Sports, the name of their sport and the number of participants, in order to receive free, but mandatory, coverage under the College's Club & Intramural Sports Catastrophic Accident Insurance policy. This policy provides Club Sports participants with Medical, Dental, Rehabilitative & Custodial Care Expense Benefits, and other benefits including AD&D. The policy is subject to a \$25,000 deductible and certain other sublimits and exclusions. The policy is secondary insurance which means that the participant is personally responsible to satisfy the policy deductible. Medical payments made by the participant's personal health insurance, or by any other insurance that the participant may have purchased, may additionally be used to satisfy this deductible. For certain high risk sports the Office of Legal Affairs & Risk Management strongly recommends an additional layer of insurance, whether purchased through a 3rd party insurance carrier, or provided as a membership benefit of a national governing body such as: USA Hockey, US Lacrosse, or other specific sport. Where such additional insurance and/or memberships are purchased, participants are solely responsible for this additional expense. Each club must submit a current **Competition Schedule** (Form C) on file with the CSID.
 - It is important to finalize scheduling as early as possible and to submit facility reservation. Facility

- space is limited. A schedule of home competition must be submitted to the CSID as soon as the schedule is finalized.
- Be sure to indicate all travel plans on the Competition Schedule.
 - **The CSID reserves the right to approve or restrict scheduling.**
 - Club Captains should schedule games and practices that do not interfere with class attendance. *Club Sport participants should not miss more than four sessions of any particular class in a given semester due to club related scheduling. **Games on Sunday are absolutely not allowed.***
6. Any club using **water** (Crew) as a medium for competition must have all members pass a swim test before the club can have any official practices.
- Swim tests include: Treading water fully clothed for 2 minutes, remove clothing and tread water for another 4 minutes, then swim 4 lengths using 4 different strokes.
 - The names of all members who pass the swim test must be signed by Coach Ayers, Aquatics Director, and submitted to the CSID.
 - Members may take the swim test at the beginning of every season.

VI. CLUB SPORT CONTINUATION

It is both a responsibility and privilege to represent Wheaton College through participation in a Club Sport. Therefore:

1. Recognition as a Club Sport is for one academic year. Continued approval for the existence of a club from year to year is not guaranteed.
2. The CSID, in conjunction with the Athletic Director, reserve the right to grant and revoke recognition status of any club based on the policies included in and implied by this Club Sports Manual. Probationary status may also be prescribed to clubs not complying with the Club Sport Manual policies. The CSID will assign such status with customized instructions and limitations.
3. Clubs failing to comply with the standards and criteria established in the Club Sports Manual jeopardize their standing as a recognized club. Specifically, the following manners of conduct are expected:
 - Regular and clear communication with the CSID.
 - Sportsman-like conduct or responsible behavior of all members of the club.
 - Behavior in accordance with Student Handbook and the Community Covenant.
 - Compliance with transportation policies and other safety concerns – this includes traveling with coach/advisor to competition.
 - Responsible budgeting whereby the club maintains a positive account balance. Should a club end the fiscal year (June 30th) with a negative account balance, it is up to the discretion of the CSID to cancel partial or entire seasons until a positive account balance has been achieved AND approval of CSID and Athletics Director.

In accordance with the Student Handbook, hazing is not permitted. Hazing is defined as any willful act on or off Wheaton College property by one student acting alone or with others, directed against any other student(s), whether voluntary or involuntary, to subject that student or students to abusive or humiliating pranks (e.g., initiations, “kidnappings”, etc.). The following may be some (but not all) forms of hazing:

- All forms of physical activity deemed dangerous or harmful
- The application of foreign substances to the body
- Forcing, coercing, or requiring students to eat or drink foreign or unusual substances
- Nudity or forcing students to dress in a degrading manner
- Any act which is likely to compromise the dignity of a student; cause embarrassment or shame to a student; cause a student to be the object of ridicule or malicious amusement; or inflict psychological or emotional harm.
- Any mischievous activity that threatens and intimidates or endangers the health, physical, or emotional well-being of a student or that results in damage, malicious vandalism, or general disregard for College or private property.

Organizers of, or participants in, hazing will be subject to disciplinary action. All Club Sport members must read and sign The Hazing Form [page 33] every year.

A Club Sport or individual members of a club may face disciplinary action for inappropriate on or off campus actions while engaging in any Club Sport related activity. Please reference Student Handbook for general guidelines. Disciplinary action may result in revocation of recognition as a Club Sport by the CSID in conjunction with the AD and referral to the office of the Dean of Students for additional appropriate action.

VII. BUDGETARY GUIDELINES

It is the responsibility of each club to manage its own finances. The following guidelines and policies detail responsible budget management.

Each club must submit, and adhere to, a Club Sport Budget.

- A **Club Sport Budget** must be submitted for each school year. This budget must be approved by the CSID before any withdrawals or purchases will be approved. The CSID is happy to provide advice and set up a time to assist in budgeting.
- Budgets should include ALL projected needs and expenses for equipment, court/field/ice rental, officials, league fees, travel, tournament registrations, coach’s pay, etc. In addition, the budget should also project anticipated income, such as; fundraisers, ticket sales, team dues and assistance from other student organizations.
- A current positive account balance must exist before any expense or purchase will be approved.

Forms submitted for the CSID’s signature must first be completed. Such forms include:

- **Check Request** (used for league dues, referee payment, etc)
- **Expense Report** (allows individuals to be reimbursed for club expenses from club account) including receipts for items paid out-of-pocket. **RECEIPTS MUST BE TAPED TO 8 ½” X 11” WHITE PAPER FOR SCANNING PURPOSES.**
- **Purchase Requisition** (to purchase equipment or uniforms from club account)

All funds from any source – dues, ticket sales, fund raising events, etc. – must be deposited in the club’s account of Wheaton College after which they may be withdrawn to make payment for club activities. *Funds from private donors requesting tax-deductible receipts must be deposited through the Accounting Department and designated as “gifts”.*

Clubs may not maintain an account off campus.

Any Club posting a negative balance at the end of a school year will be considered under ‘Probationary Status’ until such debt is paid in full.

Fundraising Procedures for Club Sports

(from **Gift Processing Guidelines for Student Groups** issued by Constituent Records)

We value our relationships with our donors and are anxious to convey our gratitude for their generosity in supporting our projects. The following guidelines for student groups doing College-approved fundraising help us to expedite gift-processing procedures so that all our donors are thanked appropriately and promptly.

General guidelines:

- 1) All fundraising must be coordinated with the CSID who will communicate with the CR Office. All letters must be approved by the CSID prior to mailing. Alumni mailing lists may be obtained by printing and completing an **Alumni Address Request Form**.
- 2) Checks should be delivered in a timely manner to the CSID for routing to the CR office. Please do not hold any checks for an extended period, especially those that arrive during an academic break.
- 3) To be considered tax-deductible, gifts must be intended for a group project and may not be directed to help a particular student. Donors should not write a student's name anywhere on their checks. Groups must not require students to "bring in" a minimum amount in order to be eligible for participation in the planned event or trip, or refund money to the student if s/he cancels his/her participation; this amounts to charging a participation fee and no funds will be tax-deductible to the donors.
- 4) According to IRS guidelines, all donors' checks must be made payable to Wheaton College (NOT to the student soliciting the funds) to be issued a tax-deductible receipt. If someone makes their check payable to a student, that student may cash the check and submit the cash with the donor's name and address. If we receive a check made out to and endorsed by the student, the receipt will be issued to the student as the donor. If we receive a check made out to a student but not endorsed, it will be returned to the student for endorsement. Cash gifts will be handled the same as checks, as long as the donor's name and address are provided.
- 5) Receipts/letters are generally ready within a week after CR receives your checks. CR will send prepared receipts to the CSID who will, in turn, route them to the Club Sport mailbox to be sent with a thank-you letter to the donor.

Acknowledgment of gifts through timely receipting and thanking is an important way of communicating our gratitude to donors. Thank you for helping to expedite the process.

VIII. COMPETITION

As a Club Sport, teams may compete with other colleges, universities and viable clubs provided that the club meets all the necessary requirements for existence and all the proper paper work is completed and on file at the Club Sport office.

Conference or League Affiliation. Club Sports are encouraged to pursue an affiliate with a conference or league.

Officiating. For all club contests, it is important that qualified and impartial officials be selected and agreed upon by all teams.

Recruiting. Recruiting is not necessarily a role of Wheaton College Club Sports. Clubs may actively recruit players and members from the Wheaton College community.

Hosting Competition. Wheaton College will host Club Sport competition. Competition dates should be submitted to the CSID as soon as they are available. Availability may be limited due to Varsity Athletics schedule and Intramurals. While Wheaton College Athletic Trainers are not available to Club Sports, *teams wishing to host competition must work with the CSID to hire an Athletic Trainer to cover events hosted at Wheaton College.* **Athletic Trainers** cost around \$45/hr.

In addition to use of space for competition, Club Sports may also have access to scoring systems, press box, and lights in order to facilitate hosting competition. Wheaton College Athletics will require approved personnel to open and operate these areas and equipment. Costs incurred in hiring personnel (at a rate to be determined) will be charged to the club.

Varsity equipment stored in the Press Box is not for club sport use unless authorized by a Varsity coach. Teams should not schedule more home games than away games.

IX. FACILITY RESERVATION & CANCELLATION

All official Club Sports are allowed usage of Wheaton College facilities. Facility use will be granted on "availability" basis. The college has established a priority list for all user groups as follows: 1) Academic/Classes; 2) In-Season Varsity Sports; 3) Recreation (Club Sports & Intramurals, Group Reservations); 4) Non-College use. Facility space is also prioritized within clubs. For example, in-season clubs have priority over clubs that are out of season. Clubs that are competitive also have priority over non-competitive clubs. Requests for scheduling gym/field space must be put in a month prior to beginning of each quad. Once all requests are in, space will be allotted in a round-robin fashion. If you put in your request after this date, no priority will be given.

All facility requests must be submitted to the Club Sports office and approved by the CSID. Please notify the CSID if there is any cancellation of facility space prior to the event. Clubs using outdoor field space are not permitted to use fields during closings due to inclement weather or grass field conditions. Captains are responsible for checking field status at the SRC Front Desk.

X. EQUIPMENT

Club members are expected to have their own equipment. All equipment must meet National Standards for care, use, type of protection required, etc. It is the Club Captain and coach's responsibility to ensure that the proper equipment is being used and in suitable condition.

Wheaton College assumes no responsibility for any injury caused by faulty equipment, improper use, or the lack of required equipment for a particular sport.

XI. LIGHTNING PROTECTION POLICY

Because of the dangers of lightning and the potential for fatal injury, Wheaton College has purchased and installed a ThorGuard lightning prediction system to minimize the risk of this environmental hazard. **The system is set to operate during the following hours:**

7:30 a.m.–10:00 p.m. Monday–Saturday and 9:00 a.m.–9:00 p.m. on Sunday, and at a range of two (2) miles. The following policy is in place in case of lightning:

1. A *lightning warning* occurs when the lightning prediction system sounds a 15-second horn accompanied by a flashing strobe light. When the lightning warnings activate, all organized outdoor activity must cease and outdoor areas should be cleared. This includes but is not limited to the following groups:

- a. Athletic Teams
- b. Intramural and Club Sports
- c. Student Activities Groups
- d. Physical Plant Workers
- e. Conference Services Groups and Camps

2. It is the responsibility of the supervisor of each area to ensure proper procedures are in place so that participants in outdoor activities are notified of how the warning systems work, what they mean, and, in the event of the activation of the detectors, what course of action is to be followed. Such notification might take the form of posted signage, public address announcements, and/or pre-event acknowledgements from immediate area supervisors (coaches, foremen, conference leaders, referees/officials, etc.) of what is expected of them. Notification of spectators through advance signage and/or public address messages is also recommended as appropriate, although supervisors are not expected to physically force spectators to clear an area.

3. The *all clear* signal is three short horn blasts and the flashing strobe turning off. No activity may resume outdoors until the all clear signal is sounded.

Approved by Health and Safety Committee. 10/12/2005; revised 12/14/2005

Approved by the President and Senior Administrative Cabinet, 10/31/2005

XII. TRANSPORTATION

In 1993, a Wheaton College Ice Hockey player was killed in a van accident while traveling home from competition. In order to prevent further tragedy and because travel to and from athletic events is a major safety concern for the college, the following rules and regulations apply and will be strictly enforced:

1. Travel to scheduled events is only permitted in school vehicles with a Coach/Advisor present unless other arrangements are made and approved by the Club Sport Director. To receive a Wheaton College Vehicle Permit, contact the Transportation Department in the Physical Plant and follow the student instructions. Keep the following regulations in mind:
 - a. Athletes of a team whose total time of competition does not exceed fifteen (15) minutes, and who have rested for a minimum of five (5) hours since the end of their competition may drive on the same day.
 - b. Additionally, team members who did not compete may drive if they are College permitted drivers.
 - c. Driving time per shift is limited to three daytime hours or two nighttime hours, with minimum 15-minute breaks between shifts. No driver may exceed eight hours' total driving time in a 24-hour period. No trip segments with multiple drivers are to be longer than 18 hours without a seven hour break.
 - d. No trips hauling passengers farther than 20 miles from campus may start after 11:00pm or before 5:00am.
2. It is the responsibility of the club Captain to submit all transportation requests to the CSID. Vehicle requests must be submitted no later than two weeks ahead of the scheduled event. Late requests may not be honored by the Transportation Coordinator. Request should include: date of travel including departure and returning times, # of people, vehicle drivers, destination, and specific vehicle requests
3. Groups under 34 persons (including drivers) may take up to three full-size vans. Groups of 34 persons or more must take a bus with a driver. A 'Group' is considered all Wheaton College students traveling to the same location near or at the same time.
4. The team is a unit. Entire teams are required to travel together, unless other arrangements are made and approved by the CSID and Advisor.
5. ONLY if and when arrangements are made by the CSID, athletes may drive their personal vehicles to or from an athletic event. An exception can be granted for events within fifteen (15) miles of the main Wheaton College campus.
 - a. Prior to a club member driving his/her own vehicle, a Personal Vehicle Insurance Acknowledgement Statement and Driver Acknowledgement must be signed (Form F) and submitted to the Club Sport Director. All passengers must also sign the Passenger Form as well.
 - b. It is strongly recommended that owners of private automobiles used to transport Club Sports members have their automobiles personally insured for: property damage, \$100,000; bodily injury, \$250,000 each person, \$500,000 each occurrence. This recommendation is made since the owner of the private vehicle must look to his/her personal automobile insurance for coverage.
6. These Transportation policies may be amended according to all current Wheaton College Transportation Policies.

For further information on the Wheaton College Transportation guidelines, please view the Transportation Safety Policy document.

XIII. ACCIDENT PROCEDURES

For accidents occurring inside the Sports & Recreation Complex, Clubs must notify the SRC Supervisor immediately. When an accident occurs on Wheaton College fields, Public Safety must be called immediately (ext. 5911). When necessary, Public Safety will normally provide transportation for the injured player to the Health Center if it is open. Transportation to an area hospital may be provided via ambulance or is the responsibility of the injured player. *All accidents require captains to fill out an Unusual Occurrence Form (Form J) to insure proper documentation of the injury.* Please submit completed Unusual Occurrence Forms to the CSID within 48 hours of incident. All expenses incurred for treatment at the hospital are the responsibility of the injured participant.

Situations when an ambulance SHOULD be called include, but are not limited to:

- Head, neck or spinal injuries
- Unconsciousness
- Chest pain
- Trouble breathing
- Diabetic reactions
- Seizures

Wheaton College Athletic Training services are not available to Club Sport participants.

When it is deemed necessary to have an injured participant seen and/or treated by a physician, have him/her transported to the emergency room of the local hospital. It is recommended that, when necessary, a qualified service (e.g., ambulance service) be used to transport the injured participant. Rely upon the recommendation of the attending physician as to whether the injured Wheaton team member can be transported back to campus and what accommodations to use (e.g. private vehicle).

When at an away contest, it will be necessary to determine your own procedures to follow if the host school/club does not have an emergency plan (i.e. number of ambulance services and hospitals, location of an area hospital, etc.).

Each club practicing/competing outside of the Sports & Recreation Complex must have ready access to a Medical Kit. If you are unsure of the hosting sites resources, you must bring a Medical Kit owned by the Club.

XIV. WEBSITE DESIGN AND RULES

Les Barker, CMS User Training and Supp Spec, has reached out about the Club Sport website and he wanted to pass along the below information to you with the vision/mission of the Wheaton.edu website, which the main club sport page falls under. Please read below and try to comply to his desires for the Club Sport page. If you are seeing your section want to add or take something away, please let me know. Thanks.

Here is Les's email:

The Wheaton website is one of the primary means by which prospective students and their families find out about what Wheaton College offers. So it stands to reason that the prospective student is the primary audience for our public website.

In terms of the athletic club pages, our hope is that the site would provide basic information on the clubs at Wheaton and why each of them exists. This is particularly critical for Wheaton, where our faith is integrated into every aspect of our lives together, including athletics. It is vital for people that are trying to decide whether Wheaton College is a good fit for them.

We have a good example of this:

Crew: <https://www.wheaton.edu/life-at-wheaton/athletics/club-sports/crew/>

This site has an action photo and a description of the goal and purpose of the club. This is fantastic. It is pertinent and not tied to a specific season or event. The only thing that could make it better would be contact information for someone who shows interest. Another possibility would be to have a slideshow of representative photos from the clubs activities, not to report on a particular event, but to help illustrate what it would be like for someone who is interested in coming to Wheaton.

If the club wants to announce upcoming events or report on recent competitions or accomplishments, that is great, but then the burden is to maintain this information, or delete it when it is no longer applicable. Out of date information is particularly problematic, as it suggests that nothing is going on and no one cares enough to maintain the information. A visitor is likely to make a value judgment about the program and even the school in general. If you want to post news, just make sure you are committed to maintaining it.

If you have a FaceBook page, blog or a separate website, you can make a link to it from your club page. However, the same implications apply to these efforts, as well. If you aren't committed to maintaining the information on your FaceBook page, it will hurt you more than it will help. It would be better to not have a blog at all than to have one with a few entries that are months or even years old.

If information on your club page changes, or if you want to post a different photo to the page, please contact David Walford at x5145.

If you have any questions about the website, about what is possible and how to best tell the story of your club, please don't hesitate to contact the Web Team at The.Web@wheaton.edu.

 - 1. Call (630) 752-5072
 - 2. Request a Club Sports Physical with a Nurse
 - 3. Provide the Club Sport Clearance Form

Wheaton College’s Athletic Hazing Policy

Wheaton College Athletics exists to develop Christian faith, character and leadership through competitive sports programs by “running the race to win.”

As a Christian community, we want to honor Jesus Christ in our relationships with one another and on our teams. Each member of the College community, who acts in a covenant bond with others, should consciously strive to maintain relationships which support, encourage and help others. Wheaton College has a zero tolerance policy on hazing, and the consequences can be severe. Participation in hazing activities may lead to individual disciplinary action, team disciplinary action and/or termination of the team or student organization.

Hazing is defined as any act on or off Wheaton College property by one student acting alone or with others, directed against any other student(s), whether voluntary or involuntary, to subject that student or students to abusive or humiliating pranks or other activities (e.g., initiations, responses to engagements, “kidnappings”, etc.) The following may be some (but certainly not all) forms of hazing:

- All forms of physical activity deemed dangerous or harmful.
- The application of foreign substances to the body.
- Forcing, coercing, or requiring students to drink alcohol or imbibe any illegal or controlled substance, or to eat or drink any foreign or unusual substances.
- Forcing or coercing students to dress in embarrassing attire
- Nudity or forcing students to dress in a degrading or inappropriate manner.
- Any act which is likely to compromise the dignity of a student; cause embarrassment or shame to a student; cause a student to be the object of ridicule or malicious amusement; or inflict psychological or emotional harm.
- Any mischievous activity that threatens and intimidates or endangers the health, physical, or emotional well-being of a student or that results in damage, malicious vandalism, or general disregard for College or private property.
- Any act undertaken in connection with an initiation to membership for any athletic team, club sport, living unit, or student organization.

The College defines hazing as any action or activity that recklessly endangers the physical or mental health of a person, or that violates the dignity of another person. Hazing is further defined as any activity that is expected of someone to join a group or team that humiliates, degrades, abuses or endangers them, regardless of intention or willingness to participate. Initiation activities and initiation parties fall into this category.

Hazing and Initiations

I have read Wheaton’s hazing policy and understand that Wheaton College has a zero tolerance policy regarding hazing. I understand that there are severe penalties for all parties involved in hazing (including suspension/expulsion from the team or school and cancellation of the season). I certify I will not engage in hazing or initiation activities. I further agree to provide an environment that is free from harassment of any kind.

XVI. Men's Soccer Eligibility

Updated: Fall 2022

Recommendation for approval of club status for men's soccer rests on the club's adhering to the Club Sports Manual. In addition to the guidelines in the Club Sport Manual, the following guidelines have been identified with respect to the Men's Soccer Club as it relates to a current varsity sport:

1. **Identification.** Wheaton College Club Soccer may wear uniforms that clearly identify Wheaton College, but the club may not represent the College as a varsity team.
2. **Fundraising.** Fundraising activities must be approved by the Club Sports Director.
3. **Competition.** The team can play organized club teams on or off campus. They may not compete against NCAA-sanctioned teams.
4. **NCAA Compliance.** As per NCAA rules, the sport club must follow regulations similar to the varsity team. This includes maintaining a formal roster submitted to the Compliance Coordinator of varsity athletics. This permanent record would be kept on file for seven years.
5. **Varsity Team Interaction.** According to NCAA eligibility guidelines, club soccer team members can transfer to the varsity team. Nevertheless, an individual cannot transfer from varsity to club and back to varsity. Each season of club play will use a season of NCAA eligibility.
6. **Competition Season.** Starting this year, you are allowed to have home and away games in the fall. During the spring you can host games at Bean when available, though varsity soccer always has priority even for last minute changes.
7. **Hosting Competition.** You have the opportunity to host at a fantastic facility. Lights and Press Box access are available too. Please include personnel costs when configuring your budget. **Athletic Trainers** cost around \$28/hr. I'll schedule them through NW.

XVII. Sport-Specific Addendums**1. Cheerleading**

Some reminders for you:

1. **Stunting Policy.** ABSOLUTELY NO STUNTING unless you have a coach (with AACCA certification)! The team is expected to comply with all aspects of AACCA guidelines including but not limited to practice and performance with appropriate flooring, coaching presence where stunts are practiced or performed, and use of spotters. Failure to comply with AACCA guidelines will result in a temporary no-stunting policy.
2. **Training Room.** As with other club sports, club sport athletes do not have access to the Training Room. All participants must sign an information release allowing coaches to review information in Athletic Physical. Coaches are responsible for directing injured athletes to the college Health Center or the appropriate local physician. At the same time, athletes must disclose injuries so coaches may alter routines and direct students to appropriate care.
3. **Half-time Performances.** Dates for Halftime performances are TBD(work with Rusty Lindsay).
4. **Basketball.** In an effort to achieve greater equality between men's and women's sports at Wheaton College, the Athletics department has requested cheerleaders be present at Women's basketball in addition to the traditional showing at Men's basketball. As in past years, a few games deemed important by the women's basketball coach.

5. **Football Playoffs / Pfund Tournament Weekend.** Not sure what the athletic department is looking for regarding this weekend. Stay tuned.

2. Crew

Some things you need to be thinking of as you plan for the year:

1. **Waivers.** A reminder to **get this done** before everyone heads out to the river!
2. **Ergs.** Great addition to your equipment – but some reminders:
 - Please do not take Ergs from weight room.
 - If you want to use a gym, contact Ellen to reserve gyms.

3. M/W Lacrosse

Both teams have extremely long seasons as you play both in the fall and in the spring. Take time off mid-year so players are ready for the Spring Competition Season. Some other issues to be aware of:

1. **Practice Space.** As in past years, practice spaces changes nearly quad-by-quad given the Varsity Athletic and IM schedule. Also, inside space during January & February is extremely tight. We'll have a round-robin scheduling meeting post-Thanksgiving.
2. **Hosting Competition.**
 - a. **Field lining.** Plan on spending around \$1,000 for field paint/lining. Consider passing this expense along to the teams that you will be hosting in the form of tournament fees.
 - b. **Press Box.** As noted in the main portion of the manual, the Athletics Department will require approved personnel to be around if/when the Press Box is in use for competition. Please include these personnel costs when configuring your budget.
 - c. **Athletic Trainers** cost around \$45/hr.
 - d. I'm looking forward to working with each of you!

4. Tae Kwon Do

Captains,

Hope you guys are ready for another great year of Tae Kwon Do! Some things for your consideration this year:

1. **Coach.** Traditionally, the coach for a club sport comes from outside of the student body. A reminder to continue keeping upper-belts who have graduated around to instruct. I will continue to expect that Andrew Kay, or another coach keep a regular presence with this team.
2. **Budget.** The last two years, your income has barely met your expenditures (payment of Coach). Please be mindful of the tight budget, particularly when considering recruitment and dues.

I hope this is a great year for TKD!
