**EFFECTIVE IMMEDIATELY ALL CSA IN-PERSON GROUP AND PRIVATE INSTRUCTION IS SUSPENDED THROUGH APRIL 30, 2020.**

Consistent with the guidelines adopted by the Wheaton College COVID-19 Task Force, we are all trying valiantly to reduce exposure. This is critical to our core mission of taking good care of each other and our neighbors. The simple face-to-face engagement of one student can ultimately impact many, many others, including those most vulnerable.

All in-person instruction is suspended, also please note that face-to-face instruction is not allowed off-campus.

Skype/Zoom or other electronic delivery of lessons **WILL BE acceptable** so long as both the instructor and student/family agree to that format. Your private instruction teachers will be in touch to discuss opportunities for remote learning.

This remains a challenging and emerging process with many moving parts to consider. As we continue through this process we will evaluate options for class make-up or potential refunds. Please be patient with this process as it develops.

The Wheaton College [COVID-19 website](#) remains an available resource.

I continue to be available for questions and will provide updates as needed.
