**A Message from
Dean Michael Wilder**

Thank you for joining us for this performance. We are grateful for each and every one of you who continually support the Arts at Wheaton through your concert attendance and your investments in the Armerding Center for Music and the Arts.

We are excited to showcase our newly constructed 648-seat concert hall in the Armerding Center for Music and the Arts. This building will facilitate the music-making of students, faculty, and many guests for generations to come and will allow Wheaton College to best serve the church and society throughout the world.

A handwritten signature in blue ink, appearing to read "Michael Wilder". The signature is fluid and cursive, with a long horizontal line extending to the right.
