Hello from HoneyRock!

In 2:22, we challenge high school students to live out the principles found in 2 Timothy 2:22, which says, “So flee youthful passions and pursue righteousness, faith, love and peace along with those who call on the Lord from a pure heart.” Service opportunities, a wilderness trip, activities, and more invite students into meaningful experiences and powerful conversations where they can encounter Christ.

Through this packet, we’re going to walk you through important information. **Please read it carefully!**

Preparing for Summer Camp

This is an incredible opportunity to build confidence, grow deeper in faith, and begin to learn how to navigate life away from mom and dad. Below, we’ve listed three ways to get the most out of this experience:

- Pray for and with your camper about their camp experience including their unit leaders, cabin leaders, and fellow campers.
- Talk about and set goals such as: make a new friend, achieve an activity award, participate in Solid Rock.
- Come to Family Day at the end of your camper’s program. This allows you to see firsthand what your child experienced. You’ll also get one-on-one time with your camper’s cabin leader to talk about their experience.

Below, you’ll find the basic schedules for two key times during 2:22 – at HoneyRock and on the wilderness trip. These schedules are subject to change!

DAILY SCHEDULE AT HONEYROCK

6:00 AM – Solid Rock
6:50 AM – First Word
7:15 AM – Breakfast
8:00 AM – Cabin/ Biff Clean
8:30 AM – Cabin Impact / Morning Watch
9:30 AM – Morning Worship
10:00 AM - Morning Activities
12:15 PM – Lunch
1:00 PM – 3 PM – Afternoon Activities
2:00 PM – Free Time
3 –4:30 PM – Large Group Activity
5:15 PM – Dinner
6:00 - 8:30 PM Group Activity
8:30 PM – Cabin Reflection
10:00 PM – Lights out

Solid Rock: Solid Rock is an optional challenge for campers to participate in. It involves scripture memory, a service component, and morning exercise (running or swimming as well as specific times of leading prayer). It is a way for campers to learn discipline, build healthy habits, and be honored for their commitment to completing the various pieces.

First Word. First Word is a time for the 2:22 community to gather together at the beginning of the day for one of our staff to share a short devotional. It helps us to start our day together focused on God.

Service Projects: Our goal for these experiences is that students are connected to God’s work in the world. For the three days of their service experience, 2:22 will be divided into mixed gender groups that will serve in on and off-site service project locations led by their counselors and our 2:22 program leaders.

Morning Watch: Campers will have time alone to read their Bible, journal, and pray.

Cabin Impact: This is a structured devotional facilitated by cabin leaders. There is usually a short activity, guided discussion, and time to reflect on what they’re learning.

On the Wilderness Trip: Each cabin will embark on an eight-day wilderness trip early in their 2:22 experience—no wilderness experience needed! You’ll be stretched physically, but trips create fantastic memories and help us to focus our hearts and minds on exploring questions of identity and community. It also facilitates awesome encounters with God through His creation. Trips consist of backpacking, canoeing, sea kayaking, or some combination of these activities in wilderness areas. Counselors are certified in Wilderness First Responder and Red Cross Water Safety. They will have also completed all of the coursework for their Certified Outdoor Leader certificate. Here is an example of an average day in the wilderness:

Information

PHOTOS AND BUNK NOTES

We love capturing the camper experience through photos! With this service, we strive to show parents a glimpse into the whole camp experience. On arrival day, we will upload a photo of your camper's cabin by 9pm While we try to capture a photo of every camper throughout their time with us, we're not always able to do so. Learn more & access photos: wheaton.edu/HRphoto

BEEHIVE

The Beehive is our camp store where campers can purchase snacks, beverages, clothing, souvenirs, basic toiletries, postcards, stamps, and more! While we do offer sweet treats, there are healthy options available including trail mix, granola bars, and sparkling water. This is a great opportunity to grow responsibility in your camper - if you have expectations for how the money is or is not spent, have the conversation before camp and reflect on after the session has ended!

Setting up the Account

All sales in store are on an account-only basis. These accounts should be set up prior to camp as you register online. You may add to this account at any time through your camper's itinerary. We recommend \$30 for each week your camper attends camp with a \$10 minimum.

Unspent Funds

At the end of each session, campers have the opportunity to donate funds from their Beehive account to our camper scholarship fund. Remaining balances of \$10 or more will be refunded in September to parents who did not pre-select to have remaining funds donated to our Camper Scholarship Fund.

LETTERS AND PACKAGES

Now, let's talk about sending letters and packages! We love when parents send postcards, letters, or packages with fun decorations or small games. If your camper is in a program that is 2 weeks or less, we ask you do not include food. Any food, even in sealed packages, invites animals into cabins and could also create risks for cabin mates with allergies.

Please send to:

**Camper Name / Session / Cabin Number
8660 Honey Rock Road Three Lakes, WI 54562**

Please do not send money - if you need to add funds to your camper's Beehive account, you can do so through your account online

Health Center

On behalf of the HoneyRock Health Center, hello! My name is Sara Waltz, and I am the Health Center Supervisor. I have been in nursing for twenty years and have three young children of my own. I first came to HoneyRock as a parent to drop off our oldest at Intro Camp. All I could think about was "is she even old enough to be here?!" Now, all of my kids can't wait to go.

We are really excited to offer all of our camp programming this summer! We have followed guidelines and recommendations from the Center for Disease Control (CDC), the American Camp Association (ACA), and our local health department. We also have the support of the Health Services staff team from Wheaton College.

To learn specifically about how we are mitigating the risk of COVID-19 at HoneyRock, I invite you to read our Summer 2021 Q&A page at wheaton.edu/summer-camp.

Second to COVID-19, one of the biggest questions we receive isn't about physical illness, but homesickness. For a camper, navigating and overcoming homesickness has incredible growth opportunities, but needs extra love and support. We're prepared to walk alongside them just as we would with a camper with a scraped knee—with understanding and compassion.

Our Health Center is staffed by a volunteer doctor, a summer nurse, a volunteer nurse, a nurses aide, and myself. We have clinic hours Monday through Friday in both the morning and afternoon. On Saturday and Sunday, we continue to see campers on an as-needed basis.

Rest assured that your campers are well cared for by our team, many of whom have (or had!) campers at HoneyRock.

Family Day

This is an awesome opportunity to step into your camper's shoes and get a taste of his or her experience. You can expect to participate in many activities, meet with your camper's counselor(s), share a picnic lunch on the front lawn, and more! While there is no charge for participation, you must register your family to attend. Parents are invited to arrive as early as 8:30 am on their family day. You can expect to give your campers a big hug around 9am.

* For 12-Day Res Camp, Advance Camp, 2:22, and Catalyst 1 Family Day is on the last Friday of the session. Day Camp, 6-Day Intro-Res Camp, and Catalyst 2 have their Family Day on the final Saturday.

To Wear

Rain or Shine, you'll be outside all day! Wear casual, comfortable clothes that layer well. Our swim area will be open weather permitting - so bring a swim suit and towel if you'd like to swim. Check out the forecast – mornings can be chilly!

Please...

Leave your pets at home and cell phones in the car! We understand that work might require you to be accessible by phone, but take advantage of this opportunity to unplug and fully engage in the HoneyRock experience.

Picking Up Luggage

Once you arrive to pick up your camper from their counselor, you will need to head to their cabin and grab their luggage at some point during the day.

The Beehive

Our camp store will be open all morning for the purchase of snacks, drinks, and other memorabilia!

Transportation

As a part of the registration process, **you will need to choose transportation options both to and from camp for each child, even if you plan to attend Family Day.** This includes parents who are bringing their camper by car! Please be sure to talk with your camper about how they are getting home so that they are not surprised on departure day!

BY FAMILY CAR

Arrival 2-3pm

If you are driving your child directly to camp, please arrive between 2:00 – 3:00 for check-in on the day the camp session begins. Upon arrival our staff will direct you to the check-in area.

In early June, we will share our detailed drive-thru drop-off and pick-up plan for parents who are driving their campers to HoneyRock. Stay tuned!

Departure

If you are picking up your child from camp on the last day of the session, please arrive promptly at 8:30am to load your camper's luggage before picking them up at 9am.

A parent or legal guardian will need to sign your camper out with their counselor before departing. If someone other than the parent or legal guardian is picking up your camper, email or mail the Transportation Authorization Form to our office at least 1 week prior to the departure date.

BY AIRPLANE

If your child is flying to camp, we ask that they fly into to Rhinelander Oneida County Airport (RHI – preferred) or Central Wisconsin Airport (CWA) in Mosinee, WI. HoneyRock is not responsible for the cost of extra luggage or any unaccompanied minor fees. There is a \$25 charge for HoneyRock shuttle service to or from RHI airport and a \$75 charge for HoneyRock shuttle service to or from CWA airport.

Once your reservation is made, please email the cell phone numbers of both you and your camper to the

Registration Coordinator. In turn, we will email our shuttle driver's contact information to share with both the airline and your camper.

Arrival

Please arrange arrival into CWA by 2:00 pm or RHI by 3:30 pm on the day the camp session begins.

Departure

Arrange departure from CWA or RHI between 9:30am and 2:00pm on the day the camp session ends. If these times are impossible to arrange, please call or email Registration *before* making your reservation to discuss options.

Sending Money

If you send travel money with your child, please seal it in an envelope with his/her name and amount and pack it in a location known to your camper. Our staff will secure this money while your child is at HoneyRock and will return it at the end of the session. We are unable to withdraw money from the Beehive for travel home.

BY HONEYROCK BUS

This is our most commonly used transportation option! Buses are equipped with a bathroom and comfortable seating – we also provide age-appropriate movies and teach your campers some of our favorite camp songs. There is at least one HoneyRock staff member on each bus to monitor campers and ensure their wellbeing. We make a lunch stop at a rest area near Madison for campers to stretch their legs and eat a provided lunch.

Return transportation to Madison, Rockford, and Wheaton stops is available for a \$75 fee. Please note that depending on numbers we may send a smaller van, driven by trained and certified HoneyRock staff.

In early June, we will share our detailed drop-off and pick-up plan for parents who are dropping their camper off at the bus. Stay tuned!

Special Notes

Snacks and water are permitted on the bus. Those with known airborne nut allergies will be seated on a nut-free bus. Please do not send your child on the bus with gum, soda, cell phone, iPod, or similar electronic device or game. These items are not permitted at HoneyRock; we are not responsible for loss or damage.

If a camper is getting a ride home with anyone other than their parent or legal guardian, we must have a completed [copy of the Transportation Authorization Form.](#)
