

WHEATON COLLEGE

For Christ & His Kingdom

Application

Wheaton College serves Jesus Christ and advances His Kingdom through excellence in liberal arts and graduate programs that educate the whole person to build the church and benefit society worldwide.

Wheaton College students and faculty pursue learning out of love for Jesus Christ and the world that he has made. Believing that all truth is God's truth, we seek to cultivate curiosity about creation, a love for great books, an appetite for truth and beauty, a lifelong passion for the life of the mind, the capacity to communicate the gospel across cultures, and the spiritual and intellectual virtues that promote wisdom.

We seek Protestant Christian faculty, staff, and administrators who have a sense of calling to be part of this institution by supporting its mission and vision for its graduates, who affirm the evangelical theology expressed in the College's [Statement of Faith](#) and affirm the moral vision and lifestyle obligations indicated in the College's [Community Covenant](#).
