

Essentials of Teaching English Pronunciation

June 14-18, 2021– Wheaton College, Wheaton, IL

Practical instruction on teaching English Grammar to ESL Learners

One-week intensive workshop—June 14-18, 2021 (Virtual Only)

Course Objectives

- Gain a foundational understanding of the English pronunciation system
 - sounds (consonants and vowels)
 - rhythm and stress
 - natural speech phenomena
- Identify typical learner errors
- Practice completing a mistake analysis
- Understand the basics of drill writing
- Practice and gain skill writing and conducting drills
- Develop a tutoring / teaching plan for 3-4 sessions
- Practice adapting materials for use with pronunciation teaching
- Locate & evaluate pronunciation teaching resources

Teaching pronunciation is extremely challenging. Without specific training, it is difficult to know how to correct learners for improved fluency and comprehensibility of speech. Participants will gain the skills necessary to diagnose errors and assist learners in improving their listening and production of the various elements of English pronunciation.
