

Wheaton College

Amended Loan Request Form

Federal Direct Stafford

Borrower's Last Name		First Name	MI
ID	Undergraduate? Y N	Additional Loan Amount Requested \$	

Loan Period – Your loans will be processed based on your anticipated financial aid enrollment period. Therefore, please calculate the amount you will need for the entire year. We will process your loan for fall and spring if you will be enrolled both terms. Your additional loan will be split between fall and spring. For example, if you request \$4,000, you will receive \$2,000 in the fall and \$2,000 in the spring (less origination fees each time).

**Instructions:**

- Complete the section above in its entirety. Do not leave any part blank.
- You **must** request a specific dollar amount in box marked “Additional Loan Amount Requested.” Wheaton College **will not process** any loan for you without a specific dollar amount. **Do not** write “maximum” or leave blank.
- Please make a copy for your records.
- Read the paragraph at the bottom of the page, sign, date, and return to the Financial Aid office.
- Incomplete applications will be returned to you unprocessed.

If you have **never** borrowed Federal Stafford Funds while at Wheaton, you need to complete **Entrance Counseling** and sign a **Master Promissory Note** at [www.studentloans.gov](http://www.studentloans.gov).

I am requesting the funds listed above. I am aware that I will be notified when my loan has been processed, and that I should allow 10-15 days for this loan to be fully processed and disbursed to my account. I will contact the Financial Aid Office if any revisions need to be made. I realize that failure to complete this form entirely and accurately may significantly delay my receipt of these funds, and I will be responsible for any late fees that result.
