

Hispanic Scholarships

Colleges are always looking to diversify their campuses and to make their schools more accessible to students of all ethnicities, economic backgrounds and religious beliefs. For this reason, many scholarships are restricted to minority students, Hispanics being one of them. That's right, just being of Hispanic descent can make you eligible for scholarships and grants.

Below are examples of Hispanic scholarships you may be interested in pursuing. For additional information about scholarships based on ethnicity or other criteria, you may conduct a free college [scholarship search](#) at Scholarships.com.
