

Service Team Staff

Being part of HoneyRock's **Service Team Staff** will help prepare you for careers in youth ministry, camp ministry, service learning, and youth mission work. This eleven-week long **youth ministry internship** is a unique opportunity to disciple rising high school juniors and seniors for seven weeks as you are challenged together to grow in humility, obedience, and selflessness.

During the four weeks of training, you will begin to practice Service Team's rule of life based on the Great Commandment to love God and to love others as well as St. Benedict's rule *ora et labora* (prayer and work). You will serve in work areas around camp, participate in off-camp service projects, and engage in leadership and youth ministry training with several gifted HoneyRock and Wheaton College leaders.

Intense, challenging, and rewarding, taking part in this program means entering into an intentional development process that forces you to abide in God's love so that you can constantly pour it out. Plus, you'll be joining a small team of like-minded people who have similar passions for youth ministry and service. Your leaders are committed to supporting and mentoring you along the way.
