

Wheaton College Care Everywhere Opt-Out Request Form

This form is to be complete by patients who do not wish to have Student Health Services (SHS) share their health information with any Health Information Exchange (HIE) via the Care Everywhere electronic health record open access function.

We recognize your right to choose not to participate in the HIE, also referred to as opting-out. If you decide to opt-out, health care providers will not be able to access your health information through the HIE and your healthcare may be duplicated or not properly provided. You should understand that providers may still request and receive your medical information from other providers using other methods permitted by law, such as secure fax, mail or other electronic communication.

This opt-out form only needs to be completed once.

You can change your mind at any time by submitting a SHS HIE Reinstatement of Participation Form. The form can be access at <https://www.wheaton.edu/life-at-wheaton/student-development-offices/student-health/student-health-services/> or at SHS.

If you have any questions or more information please email at Student.Health.Services@wheaton.edu or call 630.752.5072.
