

## Rearranging Content in the Section (on the page)

Click on the section for which you want to re-arrange the content modules

(Note: You can achieve the same result by going to the blue Actions menu for that line and choosing “Edit Section”.)

Notice the **cross shaped icons** in the left-most column:

Click **the cross icon** next to the content type that you want to move and drag it to the desired place in the list.

Click on **Save Changes**
